Docket No. 98N-1265
Food and Drug Administration --8 AIO:14
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: With all the emphasis in recent years on the importance of a woman's "right to choose," I would implore you not to remove the choice of where I can obtain the compounded medications that have been so helpful to me and so many other women across the country. Give us the continued freedom to make choices that will benefit us as individuals.
Thank you!
